There are excellent programs available to Saskatchewan shooters in 2024. Many of these programs are made possible through the support of SASK LOTTERIES. Some of these initiatives are listed as follows:

ALL STAR TEAM 2025

2025 All Star Team members will be selected from all shooters having shot a minimum 1200S, 800D and 800H Saskatchewan targets at 3 clubs. Special category requirements (Lady, Sub Junior, Junior, Jr. Gold, Sr. Vet. and Vet.) are 600S, 400D, 400H at 3 clubs. Applicants must apply by Sept. 17, 2024, listing your best scores. **(form will be provided by SATA secretary).**

IF A SHOOTER QUALIFIES FOR THE ALL STAR TEAM, THEY WOULD NOT BE ELIGIBLE TO BE A SPECIAL CATEGORY WINNER.

ALL FIRST TIME SK ATA MEMBERS GET A FREE 1 YEAR MEMBERSHIP.

EMAIL ADDRESSES

SATA sends out trap shooting related information, shoot changes or cancellations during the year. If you would like to be notified, send your email address to the Secretary/Treasurer at sasktrap@sasktel.net

www.shotgunsports.ca

SASK. FIRST TEAM (HIGH PERFORMANCE)

The top 10% (20 maximum) including All-Star Team of Saskatchewan ATA Shooters who have an average of 86% or higher and shot 1200S, 800D, 800H in Saskatchewan at 3 clubs will qualify for the Sask First Team. International shooters (2) will be selected by separate international criteria. Team members are eligible for reimbursement of a portion of practice and competition expenses. 2024 winners are listed in this newsletter, 2025 winners will be chosen on 2024 results. The SATA secretary sends winner's forms to be completed and submitted with receipts for expenses and proof of shooting and target requirement. (copy of A.T.A. card) Deadline for submission is Sept. 17, 2023, though winners can submit as soon as target requirements are met to receive immediate reimbursement. Sask First winners are eligible for travel grants described below.

Prior to this year, to qualify for the high performance payment, you had to qualify the year prior by making the top twenty list. Starting last year, you can qualify as before but you can also qualify by making the top twenty list this current year.

TRAVEL GRANTS - 2024 CANADIAN TRAPSHOOTING CHAMPIONSHIPS

Vancouver Gun Club, Vancouver, BC

To receive travel grant funding, ATA members must shoot 500S, 500D and 500H Saskatchewan targets at 2 clubs in the current target year. International shooters must shoot 400 competition targets during the designated shoot year commencing on September 1, 2023 and ending on August 30, 2024.

Expense claim forms will be provided and must be submitted with applicable competition and travel receipts and proof of minimum target qualifications as listed above. The qualifying shoot requirements would be the 400 Canadian Championship targets at the Vancouver Gun Club, Vancouver, BC (attach copy of ATA card) and/or International shooters must shoot the singles, mixed singles or doubles program or both at the International Trap Championships

Documentation must be postmarked by September 17, 2024. Payments will be made after the final budget amounts are calculated. Late applications will not be eligible for reimbursement.

MEMBERSHIP ASSISTANCE PROGRAM (MAP)

The MAP program is funded by Sask Sport Inc. and is set up to enable SATA to promote province wide initiatives to increase the number of participants, offset club operating expenses and support community and club-level sport development.

Be Safety Wise...

Your Directors of the SATA are extremely conscious of safe gun handling. The following ATA safety rules will be vigorously enforced.

All guns must have the action OPEN and contain no live shell at all times except while the shooter is on the firing line. The gun's action may be closed when it is in a gun rack but it shall not contain a live shell.

As a safety precaution - test shots will NOT be permitted.

A contestant shall place a live shell in his gun only when at a firing point facing the trap. In singles shooting, they may place only ONE shell in their gun at a time and must remove it or the empty case before moving from one position to another. In doubles, two shells may be placed in the gun.

In changing from one post to another or making the post 5 to post 1 walk, the shooter should NOT walk in front of the other competitors. Nor should competitors move back so the shooter can walk in front of them.

All guns used by the contestants must be so equipped and so used as to not eject empty shells in a manner to disturb or interfere with other contestants.

The SATA Directors will be vigilant for any safety rule violations.

SAFETY

1. Do not load your gun except when standing in a shooting position and not until it is your turn to shoot. If the warning device or flag goes up, immediately unload your gun and wait until the warning device or flag goes down indicating ready.
2. Load one shell only in your gun at a time for singles or two shells only for doubles.
3. Do not carry your gun with breach closed.
4. Do not place your hand or any other part of your body over the muzzle of your gun.
5. Do not point your gun in the direction of any person even though you know the gun is not loaded.
6. Always carry your gun with the breach open and muzzle down.
7. Only target loads may be used, see section XIII - G in ATA Rule Book.
8. Each individual should have their own gun. The practice of sharing a gun is not allowed.
9. Protective shooting glasses and ear plugs or muffs are **mandatory**.
10. All empty hulls which hit the ground are the property of the club.
11. All adjustments of trap machines are to be made only by authorized personnel.
12. All loading of trap machines is to be done by qualified personnel.
13. The club reserves the right to refuse shooting privileges to individuals possessing faulty firearms and/or ammunition.
14. The club assumes no responsibility for injuries or damages resulting from the use of faulty firearms and/or ammunition.

Average Book: yearly book compiled by the ATA listing all singles, handicap and doubles averages of each member who shot during the previous year.

Broken Target: (A) one which comes out of the traphouse in pieces. It is declared “no target” whether the shooter shoots at it or not, and another bird is thrown. It does not count even if the shooter hits it (B) a whole target which the shooter hits and is scored as “dead”.

Call: signal given by the shooter for the release of the target. Usually the word “pull,” but any sound may be used.

Classification: a system of dividing shooters into groups-based on previous records, ability, etc.-in singles and doubles. Classification is done by a committee of shooters. AAA is the highest class; D or E are the lowest.

Junior: any shooter under the age of 18.

Junior Gold: any shooter at least 18 years of age and under 23 years of age.

Lost: the term for a target missed completely or only “dusted.”

Long-Yardage: positions in handicap shooting from 25 to 27 yards.

No-Bird: the call given by the referee when the shooter does not have to fire at a target. Ex. A target that is thrown from the trap broken.

Pair: the two targets fired simultaneously in doubles shooting.

Pigeon: clay pigeon, the target.

Puller: the person who releases the target from the trap, either by an electric switch or by voice release.
